The Annual National Night Out is a crime/drug prevention program sponsored by the National Association of Town Watch. National Night Out is designed to:

- Heighten crime and drug prevention awareness
- Generate support for, and participation in, local anticrime programs.
- Strengthen neighborhood spirit and police-community partnerships.
- Send a message to criminals letting them know that neighborhoods are organized and fighting back.

The WaterView HOA is inviting all WaterView residents to attend the celebration which will be held Tuesday October 1, 2019 from 5:00pm – 7:00pm.

Residents are asked to turn on their outside lights, lock their doors and join their neighbors for a fun and exciting evening. We will have a DJ, face painters, petting zoo, food and entertainment for all residents to enjoy. The Rowlett Police and Fire Department will also be on site to showcase their equipment and vehicles plus answer any questions.

This is your community so please come and meet you neighbors and those who work hard to keep us safe and join us in an effort to make WaterView the best and safest community that it can be!

HALLOWEEN SAFETY TIPS

1. Only trick-or-treat in well known neighborhoods at homes that have a porch light on.
2. Accept your treats at the door and never go into a stranger's house.
3. Always use the front door; **NEVER** go to the back of a house.
4. **Do not** eat any treats until they are thoroughly checked by an adult.
5. Wear light-colored or reflective clothing so you are more visible.
6. Remain on well-lit streets and always use the sidewalk.
7. Only cross the street as a group in established crosswalks. Never cross the street between parked cars or out of driveways.
8. A parent or responsible adult should always accompany young children on their neighborhood rounds.
9. If your older children are going alone, plan and review the route that is acceptable to you. Agree on a specified time when they should return home.

What Does the Architectural Review Committee Do?

The Architectural Review Committee (ARC) reviews and approves requests for modifications and additions to homes within WaterView. This insures that no home looks out of place or below the standards we have all agreed to in the HOA Covenants. The members of the committee are all homeowners here in WaterView. They volunteer their time to make sure the high standards set by the HOA are upheld. Thank you for a job well done!

Any modification or addition to the exterior of your home must be submitted to the ARC for approval before starting the project. Please do not assume it is okay because you have seen it done elsewhere in the neighborhood. The ARC application can be found on the website at www.waterviewhoa.com or in the HOA office. Improvements to our neighborhood are welcome and encouraged. Maintaining and increasing home values should be everyone's goal.

IMPORTANT

changes to e-check payments

Effective October 1, 2019, CMA's payment processing vendor will begin charging a fee of \$1.99 for payments made by e-check. Related to this change, CMA will no longer accept e-check payments by telephone. The \$1.99 fee will not apply to recurring payments by e-checks which are currently already set up, or which you set up before October 1, 2019. However, if you ever need to change the recurring e-check payment for any reason after October 1, 2019 the \$1.99 fee will apply. CMA nor WaterView receives any proceeds from these fees. To avoid being charged \$1.99 for e-check payments you can call CMA's customer care at 972-943-2828 to enquire about setting up an ACH payment or you can always mail or bring a check into the HOA office at 7801 Kings Court, Rowlett, TX 75089. You can also mail a check to the lockbox which is the address listed on your assessment statement. If you have any questions regarding this change you can call the HOA office at 972-463-4455 or CMA at 972-943-2828.

Manager's Message

We often receive phone calls and e-mails from homeowners inquiring about violations on other homeowner's property. There is a specific process which is mandated by the Texas Property Code that governs HOA's that we must follow while addressing violations, collections, etc. Also in accordance with the Texas Property Code the HOA cannot reveal personal information about an owner including their violation history, payment history and contact information (except the owner's address). At times, it can be a long process, so we ask for you to please be patient and know that these issues are being addressed.

Broadmoor assessments are due **October 1, 2019** and LATE if received after **October 31, 2019**. Late fees will be applied **November 1, 2019**.

COMMONLY ADDRESSED VIOLATIONS

Over the last 6 months we have sent 1,966 violation letters. Below is a list of the most commonly addressed violations.

Landscaping: Front, back and side yards must be maintained on a regular basis which includes mowing, edging, trimming and weeding. Flowerbeds and tree rings must be cleaned and remain free of any grass/weeds. Dead landscaping (shrubs, trees, etc.) must be removed and properly disposed of and replaced if needed.

Rubbish and Debris: Trash receptacles and recycle bins must be stored in a place where they are not visible from the street or common area. Miscellaneous items must be stored in a place where they are not visible from the street or common area.

Fencing: Broken and/or missing wood pickets need to be replaced and stained with an approved stain color. Wood fences that are in bad shape need to be completely replaced. Wood fences must be cleaned (power washed, wood cleaner) and sealed when "graying" occurs. Stains must be a semi-transparent natural cedar tone. **Please note that all fences that separate a property line is considered a shared fence.**

Maintenance: Mailbox maintenance which includes replacing missing mailbox numbers, painting and straightening. They can be ordered from Imperial Mailbox Systems at 1-800-647-0777 or you can purchase the numbers in the HOA Office, please call for availability and pricing. Cracking flowerbed/tree ring borders must be repaired using the same color mortar so the borders are uniform in color.
